Dear Mr Radford,

### Turned sign

I am writing to report that a cycle lane warning sign on Rustat Road is facing in the wrong direction:

This photo was taken in Rustat Road, a short distance north of the junction with Davy Road, at the entrance to the new housing development on the Leica site. The cycle lane referred to can be seen on the right of the picture.

The sign should face traffic leaving the housing development and warn them that there is a cycle lane on Rustat Road. It currently faces traffic travelling north along Rustat Road and is therefore confusing.

We would be very grateful if you would arrange for this sign to be rotated to face in the correct direction.

Yours sincerely,  
on behalf of Cambridge Cycling Campaign,

Nigel Deakin
