Dear Councillor,

**AJC MEETING MONDAY 16TH JANUARY 2006  
AGENDA ITEM 5: HILLS ROAD RAILWAY BRIDGE  
IMPROVEMENTS.**

Cambridge Cycling Campaign believes that on-road cycle lanes over and on both sides of the bridge are essential. The only way in which these could be provided is by implementing a variant of Option C. Forcing cyclists onto the pavement would be no way to increase road safety. Our case is set out in the attached letter. We ask for your support for this option.

We would welcome comments or queries.

Yours sincerely  
on behalf of Cambridge Cycling Campaign

James Woodburn
