

To: Development Control Section - Planning Department

Case Officer: Paul Johnson

From: Head of Engineering Services

Ref: P / C / 07 / 1106 / FUL Date: 28/09/2007

Location: 3 - 8 Downing Strete, CB2 3RD

Comments of Engineering Services as Agents to the Highway Authority:

The proposed relaxation of delivery times in the morning has the potential to conflict with the peak traffic during that time.

Also any delivery vehicle leaving the property at 08.00hrs will contribute to the overall congestion level within the City.

Therefore, the Highway Authority requests that the permission be refused.

Officer: Jon Finney

Post: Assistant Engineer
