- Notes:**
- (a) two schoolchildren joined at Royston at the rear of the train and alighted at Meldreth; they were not as in control of the bikes as other users;
 - (b) the three bikes stored in this area caused obstruction to the gangway as they were poorly stored;
 - (c) by contrast, the four bikes here were stored as close together as possible, enabling some access past
 - (d) on leaving Foxton, it was impossible to walk through the rear cab
