

# CHESTERTON ACTIVE TRAVEL GROUP

## Change planner

CAMCYCLE

### ISSUE TO BE SOLVED:

#### INPUTS

##### What do we need?

e.g. volunteers, time,  
resources (printing, room hire)

#### ACTIVITIES

##### What do we need to do?

e.g. contact local authorities, produce a petition,  
distribute leaflets to local households, do a traffic count

#### OUTPUT

##### What are we aiming to achieve?

e.g. meeting with councillor, number of signatures on a  
petition, coverage of issue in local newspaper

#### OUTCOMES

##### What do we want to happen to solve our issue?

It might be helpful to break it down into  
short, medium and long-term goals

**OVERALL IMPACT:** Safer and more pleasant journeys in Chesterton for those walking, cycling and using mobility aids. A nicer place to live for residents.
