

Have your say on the GCP proposals to improve walking, cycling and wheeling on the route from Cambridge to Milton, Waterbeach and beyond.

Read our full consultation guide at [camcycle.org.uk/waterbeach](https://camcycle.org.uk/waterbeach)

**JANE COSTON BRIDGE TO COLES RD**

Q4) Ask for separate space for people walking and cycling.

**COLES ROAD TO FEN ROAD**

Q5) • Neither support nor oppose  
• Strongly oppose

Q6/7) Say that more alternatives should be discussed.

**COLES ROAD**

Q8) • Neither support nor oppose  
• Neither support nor oppose

Q9/10) Support the reduction in the speed limit. Call for other traffic-calming measures such as planting / build-outs. Coles Road should also be viewed in parallel with alternatives for the High St.

**FEN ROAD TO NORTH FIELD STABLES**

Q11) Support the reduction in speed limit. Ask for separate space for cycling and walking and an improved Fen Road junction.

**NORTH FIELD STABLES TO A10**

Q12) Support the reduction in speed limit. Ask for separate space for cycling and walking.

**A10 TO ELY ROAD**

Q13) • Strongly oppose  
• Strongly support  
• Strongly support

Q14) Say the slip road encourages rat-running and excessive speed through the village

Q15/16) More details should be provided on the opportunities tied to closing the slip road.

**A10 OFF-ROAD ALIGNMENT**

Q17) A linear park with lighting should be provided between the two villages with separate space for different users.

**CAR DYKE ROAD**

Q18) Instead of following the field edge, a more direct route is needed to Cambridge Road.

**GENERAL FEEDBACK**

Q19) • Strongly oppose

Q20) Ask for separate space for cycling and walking. Ask for more options for improvements on Milton High Street. Ask for a linear park between Milton and Waterbeach.
